Boise, Idaho, November 2, 1911.

Mr. Frank Bond,

Chairman Executive Com. U. S. Geographic Board,

My dear Mr. Bond :-

In reply to your letter of October 19, in which you call my attention to certain portions of the Continental Divide and request that I discuss the matter with my people and give you not only my personal opinion but the views of others on the question of the proper name for these subdivisions, I would respectfully state that as soon as my field men return I will gladly take up the matter with them, together with other prominent and trained men, and as soon as convenient thereafter report to you fully on the premises.

Very respectfully,

  
U. S. Surveyor General for Idaho.
